Free Wireless Hotspots

Minneapolis residents and visitors are now able to access the Internet for free from 117 "Wireless Minneapolis" hotspots throughout the city, including several in the 4th Ward. These hotspots are one of the many community benefits that resulted from the City of Minneapolis' contract with USI Wireless, the company that built the wireless network blanketing the entire city. To view a map of the free wireless locations visit <http://www.ci.minneapolis.mn.us/wirelessminneapolis/map.asp>

Curfew Hours

It is important for both parents and children to know the curfew rules. Hennepin County Ordinance No. 16, Sub. A, B, or C, establishes the times youth are to be at home on weekdays and weekends. Curfews are set for youth ages 17 and under. The first ticket is \$25.00, the second is \$50.00, and a third ticket could result in a court date. Youth with a

prior record are required to go to court when the first ticket is issued. For more information visit
